Archdiocese of Dublin

The Covid-19 pandemic has been a particularly difficult time for those who have lost loved ones and have often had to cope with their grief without many of the usual spiritual and community supports.

To pastorally support everyone who has suffered the pain of bereavement during the pandemic, and in the context of the month of November as the traditional time when we remember our dead, **on this coming Sunday, 14 November at 3.00pm, the Bishops of Ireland will undertake a pilgrimage to the International Eucharistic and Marian Shrine in Knock.** The bishops will concelebrate Mass for all those who have died in our country during the pandemic, and for their families. At the Mass the bishops will also offer prayers of thanksgiving for all those who so selflessly sacrificed so much during the pandemic. This Mass will be live-streamed on www.knockshrine.ie and broadcast on the RTÉ News Now digital television channel and online.

The bishops invite everyone to join with them in prayer on this solemn occasion.

Sign Up As A Volunteer for the Church Re-Opening

If you're interested in getting involved to help out in the Parish we would be delighted to have you on board. Volunteers are always needed on our Parish teams and in churches to assist and to help out at Public Masses. The more volunteers we have means the demand on volunteers' time will be less, also. If you have not signed up as a volunteer yet, please sign up via the form on the home-page of the website

www.enniskerryparish.ie or contact the parish office and a member of the parish team will be in touch. Thanks to our new recruits; we are delighted to welcome you on board. A BIG thank you to all who continue to partake of Parish Life so generously and freely.

Reopening of [St. Patrick's church - Curtlestown](#)

As you may already have read in the Parish Link, St. Patrick's Church, Curtlestown, has re-opened for 10am Sunday Mass. We are delighted to welcome back our parishioners on this special occasion!

The pandemic and our concern for everyone's health and safety still restricts how we can celebrate this, and some of the safety measures are listed below. Help will be on hand at the door if there are any questions.

Please don't attend if you are displaying any COVID symptoms

Please sanitise your hands upon entering the church and, if you're over 12, please wear a face mask

Attendees are encouraged to maintain social distancing, for example by sitting in alternate pews as the space allows. Of course, family pods / bubbles can sit together as per Government Guidelines.

Adequate ventilation will be maintained by keeping the doors and window open, so please wrap up warmly!

There will be a one-way entry / exit system (entry via the **main door** and exit via the **sacristy**). This will be on a pew-by-pew basis upon receipt of communion at the end of Mass. The congregation will be informed of this at the Mass.

We thank everyone for following these guidelines so that we may continue to keep our community safe and look forward to seeing you.

[St. Kevin's Church, Glencree](#) has also re-opened for 9am Mass which will continue on the 1st Sunday of each month. Above restrictions also apply.

Update from your Parish Pastoral Council

Our Changing and Challenged Church

Over the centuries the church has always changed. Now the winds of change are again blowing. In 2020, the imminent serious shortage of priests instigated the PPC to study how our parish might adapt to this new reality. Then earlier this year Archbishop Dermot Farrell took the initiative to formally consult all parishes on this topic via a Task Force. In July your parish submitted its recommendations and initiatives already undertaken by the parish communities in a document entitled:

[*"Parish Transformation - An Answer to Parish Viability Concerns"* \(click to see link\)](#)

A letter of acknowledgement and thanks has been received.

In October 2021 Pope Francis formally launched a two-year global consultation process (Synodal Pathway) with a call to "look others in the eye and listen to what they have to say." Archbishop Farrell then asked all parishes in the diocese to get involved and asked that each parish appoint two local Synodal Animators to act as facilitators in the local consultation process over the next six months to April 2022. (See www.dublindiocese.ie)

The PPC recently had a special meeting to consider how best to realise an authentic consultation process and would welcome expressions of interest particularly from our younger parishioners for the above-mentioned role. They will work through and be supported by the active participation of the PPC and our local communities.

In this way it is hoped that a process of authentic consultation can take place to hear the views of **all** sections of our Christian community, especially our younger generation who are the future of the church.

In the meantime several interesting discussions have been taking place in our parish hosted by Aideen Darcy, Pastoral Coordinator for Bray/Enniskerry and a member of our PPC, on the subject of a Lay Led Parish. The next one is on **Saturday 13 November in St. Mochonog's Parish Hall, Kilmacanogue at 11:00 a.m.** All are invited and welcome.

The result of all these wide-ranging consultations will feed into the Parish Transformation Process we in Enniskerry are already embarked on. It will point to a new and exciting way forward for our church; a church that is welcoming, open and that truly listens to the words of Jesus; a church for all the people of God!

Any inputs from anyone would be very welcome!

COVID 19

At St. Mary's, St. Mochonog's, St Kevin's & St. Patrick's, in accordance with the latest Government guidance, we are now conducting our religious services without capacity limits, but with all other protective measures remaining in place. Although there is now no specific distance recommended for spacing of people within our churches, we ask that you respect the right of others to attend in safety, and that you do not crowd close to people from other households. Please make the best use of the available space so as to maximise distancing between yourself and anybody from outside of your household. Where possible, when you enter the church, please use a vacant pew that is not close to an already occupied one. Please continue to keep your distance when entering and leaving the church, and when moving around, such as when approaching to receive Holy Communion.

Protective measures, including hand sanitising and the wearing of face coverings, will continue for the foreseeable future. We will continue to distribute Holy Communion at the end of Mass, with each household group coming forward in turn. Immediately after receiving Holy Communion, you should leave quietly through the side exit.

Please do not attend at church if you are unusually experiencing any common symptom of Covid-19, such as fever, new cough, shortness of breath, breathing difficulty or loss of, or change to, sense of smell or taste.

For your own safety and for the safety of the community at large, we urge you to accept vaccination when advised.
